

Dog Walking Disclaimer.

Our service is available subject to a free consultation visit. The purpose of the visit is to give us an opportunity to meet the client and their pets and vice-versa.

This is an important opportunity for all parties to get to know each other and to discuss each other's requirements.

Also important paperwork will be completed (Owner contact details, Pets details, Vets details) No service will be entered into without a completed consultation visit.

The client takes full responsibility for any costs which may arise as a result of sickness, accident injury or damage caused to or by the client's pets, except third party liability.

Payment by cash or cheque, made payable to Emma Muir after the walk has taken place. If you wish to cancel your dog walking service all together with Happy Paws we will need a weeks notice period. If it is only for a short period of time then 24 hour notice would need to be given. If this is not met then you would have to pay the full amount.

Aggressive dogs will be walked on their own and on a lead at all times. They may also be required to wear a muzzle, if for any reason we feel the dog is becoming a danger to itself or any other animal/human we reserve the right to cancel the walk immediately and still be paid in full.

For your pets, and our safety, we do not walk in the following conditions: Very heavy snow, icy roads, very high winds and thunderstorms.
